

VOTE - MAY 11

Ron **WALTERS** HOUSE OF DELEGATES

32nd District

Paid for by Walters 2004 - Sherman Witt, Treasurer

Re-Elect Delegate Walters

Our state Republican Party is surging in popularity, and the outcome of this year's election looks very promising for the GOP to have a major impact on policy at the Legislature. Like you, I support lower taxes, better education, conservative values and more emphasis on pro-jobs development policies.

I ask for your continued support on **May 11**. Together, we can bring about the needed changes so our children will have a better, more prosperous future here.

A handwritten signature in black ink that reads "Ron Walters".
